Commission and Session	Day
C.01: African Studies: Africa and climate change	Sunday
C.01: African Studies: Africa and natural resource use/management	Sunday
C.01: African Studies: African borders and borderlands	Sunday
C.01: African Studies: African development challenges and trajectories	Wednesday
C.01: African Studies: Environmental issues and challenges in sub-Saharan Africa	Thursday
C.01: African Studies: Post development geographies in Africa	Wednesday
C.01: African Studies: The issue of transitions	Thursday
C.02: Agri Geography / Land Engineering: Foodscapes - complex relationships of food production, distribution and consumption	Thursday
C.02: Agri Geography / Land Engineering: Sustainable land use and agricultural development under global uncertainties	Wednesday, Thursday
C.03: Applied Geography: Applied approaches for healthy public policy	Thursday
C.03: Applied Geography: Applied smart data research	Thursday
C.03: Applied Geography: Geography and public policy: harnessing opportunities for engagement	Wednesday
C.03: Applied Geography: Interface of social, medical and digital geography and its sustainability	Wednesday
C.03: Applied Geography: Model coupling for applied geographical research	Thursday
C.04: Biogeography / Biodiversity: Dynamic narratives and trends in biodiversity conservation and sustainable development	Monday
C.04: Biogeography / Biodiversity: Land use/land cover change and biodiversity loss	Monday
C.04: Biogeography / Biodiversity: Mountain ecosystems responses to climate and land use change	Sunday
C.04: Biogeography / Biodiversity: Nurturing biodiversity, beyond boundaries: interplay of SDGs, ecological diplomacy and conservation politics	Tuesday
C.05: Climatology: Advancing transdisciplinary climate risk research	Sunday
C.05: Climatology: Climate change and its impact on livelihood and traditional knowledge	Sunday
C.05: Climatology: Climate crisis and climate justice	Thursday
C.05: Climatology: Climate variability in a decade of climate change and extremity	Wednesday
C.05: Climatology: Extreme weather and climate events: causes, consequences, and impacts	Thursday
C.05: Climatology: Geographical perspectives on accelerated global warming: adaptation and mitigation actions	Wednesday
C.05: Climatology: Historical climatology I	Tuesday
C.05: Climatology: Human-wildlife conflict under the climate change	Tuesday
C.05: Climatology: Urban climate	Monday
C.06: Coastal Systems: Climate change and local knowledge in coastal and island contexts	Wednesday
C.06: Coastal Systems: Managing coastal hazards and minimizing vulnerability	Tuesday
C.06: Coastal Systems: Managing, protecting, and conserving of the coastal natural resources	Wednesday
C.06: Coastal Systems: Transdisciplinary science for near-future habitable coasts	Monday
C.07: Cold / High Altitude Regions: Celebrating 20 years of contributions to knowledge at the human/environment interface in cold and ...	Monday
C.08: Cultural Approach: Art as a cultural practice of engagement within and beyond communities: understanding participation ...	Monday, Tuesday
C.08: Cultural Approach: Being from the place! Discourse and narrative of human's being special relationship to a portion of ...	Wednesday
C.08: Cultural Approach: Geographies of the night	Thursday
C.08: Cultural Approach: Global perspectives on children and young people	Sunday

Subject to change

Commission and Session	Day
C.08: Cultural Approach: History, heritage, and culture: the role of cultural geography in the heritage planning and management	Wednesday, Thursday
C.08: Cultural Approach: Neurodiversity in geography	Monday
C.08: Cultural Approach: Recognizing national differences in the perspective on landscape: a way of celebrating a world of ...	Thursday
C.08: Cultural Approach: Redescription of the place, memory, and history through cultural institutions: focus on the mediation ...	Thursday
C.08: Cultural Approach: Sacred as a mirror of spiritual practices and cultural diversity	Thursday
C.08: Cultural Approach: The “routes” as a way to build and legitimate nowadays territories	Sunday, Wednesday
C.09: Dynamics of Economic Spaces: A world of difference in economic spaces	Sunday
C.09: Dynamics of Economic Spaces: Blue justice: blue economy, sustainability & just (coastal) transitions	Monday
C.09: Dynamics of Economic Spaces: Economic dynamics of (smaller) urban places	Sunday
C.09: Dynamics of Economic Spaces: Financial innovations for transformative climate and economic justice	Tuesday
C.09: Dynamics of Economic Spaces: Places of work and work in places	Wednesday
C.09: Dynamics of Economic Spaces: The financialisation of Latin American territories: what has been happening recently?	Wednesday
C.10: Environment Evolution: Climate, land use, fire, and adaptation - navigating challenges in a changing world	Sunday, Monday
C.11: Gender and Geography: Analysing space through a gender lens: international reflections.	Monday, Thursday
C.11: Gender and Geography: Beyond gender, race and regions: feminist conversations on diversity, equity and inclusion in geography	Monday
C.11: Gender and Geography: Co-authoring feminist and queer geographies	Tuesday
C.11: Gender and Geography: Feminist citymaking in the extraordinary and the emergent	Wednesday
C.11: Gender and Geography: Gender and nature in geography: ecofeminism, women’s mobilizations for natural environment, community ...	Wednesday, Thursday
C.11: Gender and Geography: Gendered feeding territories. Learning from agricultural spaces for local self-consumption	Sunday, Thursday
C.11: Gender and Geography: Irish queer geographies	Thursday
C.11: Gender and Geography: Queer spatialities	Sunday, Monday
C.11: Gender and Geography: Rethinking cities as spaces of care	Sunday
C.11: Gender and Geography: Situating and pluralizing feminist geographies: preserving legacies for future generations	Sunday
C.12: Geographical Education: Beyond traditional geography education in schools – inquiry, problem and project-based learning with ...	Monday
C.12: Geographical Education: Climate change and sustainability: key colours in the geography Rubix cube	Thursday
C.12: Geographical Education: Digital creativity in geography education	Monday
C.12: Geographical Education: EUROGEO actively engaging with geography education	Wednesday
C.12: Geographical Education: Exploring current issues and events through primary/elementary and lower secondary geography education	Wednesday, Thursday
C.12: Geographical Education: Fieldwork pedagogies: reflections and future opportunities	Sunday
C.12: Geographical Education: From real fieldtrip to virtual fieldtrip : a learning experience	Tuesday
C.12: Geographical Education: Future direction of pedagogies within geography in higher education	Sunday

Subject to change

Commission and Session	Day
C.12: Geographical Education: Geography teachers and the challenges of the Anthropocene	Sunday
C.12: Geographical Education: Grounds for hope in geography	Tuesday
C.12: Geographical Education: New voices in creative methods to geography education and education for/as sustainable development	MondayTuesday
C.12: Geographical Education: Outdoor learning in geography education	Thursday
C.12: Geographical Education: Project based learning and research methodologies in geographical education	Tuesday
C.12: Geographical Education: The integrative power of geography education	Wednesday
C.13: GIS: Application of remote sensing for environmental management in the global south	Thursday
C.13: GIS: Artificial intelligence, big data, and urban science: applications, opportunities, challenges, and ...	Tuesday
C.13: GIS: Geospatial approaches, GIScience and remote sensing for the study of past natural hazards	Tuesday
C.13: GIS: Housing, built environment and technology	Thursday
C.13: GIS: Integration of artificial intelligence and augmented reality in participatory geographical information ...	Wednesday
C.14: Future Earth: Climate action, climate justice and young people	Monday
C.14: Future Earth: Climate variability and its impact on river hydrology: observational and model based studies	Wednesday
C.14: Future Earth: Consumption in a circular society: geographical perspectives	Sunday
C.14: Future Earth: Cultivating a just transition of urban and peri-urban food systems	Thursday
C.14: Future Earth: Energy citizenship: geographical perspectives	Sunday
C.14: Future Earth: Energy poverty: from systemic causes to everyday realities	Wednesday
C.14: Future Earth: Energy security and justice	Monday
C.14: Future Earth: For a geography of relationality within environmental humanities: territories and collectives of the ...	Tuesday
C.14: Future Earth: Geographies of sustainable consumption	Wednesday
C.14: Future Earth: Geography and future studies: envisioning sustainable futures	Tuesday
C.14: Future Earth: Promote ecosystem services for sustainable development goals	Wednesday
C.14: Future Earth: Regional approach to circular economy transitions	Wednesday
C.14: Future Earth: Resilience in border regions in times of multiple crises: conceptual and empirical reflections	Thursday
C.14: Future Earth: Resilience, sustainability and inclusive growth	Sunday, Monday
C.14: Future Earth: Science, society, and sustainability for future earth	Thursday
C.14: Future Earth: The beauty of geography – EUGEO Seminar	Thursday
C.14: Future Earth: Transdisciplinary studies on sustainable transition of smart low carbon society	Monday
C.15: Governance: 20th anniversary of the EU's biggest enlargement - territorial implications	Wednesday
C.15: Governance: A new model of governance for accessibility and cultural tourism: issues, sectors and facilities	Sunday
C.15: Governance: Local and urban governance: trends, challenges and innovations in a world of difference	Sunday, Monday, Tuesday, Wednesday
C.15: Governance: Local opportunity structures for planning-related protest in international perspective	Thursday
C.15: Governance: Smart city, neighbourhood change and spatial inequality	Thursday

Subject to change

Commission and Session	Day
C.15: Governance: Unpacking the socio-political dimensions of (local) low-carbon transitions	Thursday
C.16: Information, Innovation and Technology: Co-production of techno-scientific promises: spaces, institutions, and communities	Sunday
C.16: Information, Innovation and Technology: E-health and spatial planning	Tuesday
C.16: Information, Innovation and Technology: Geographies of information, communication and society	Sunday, Monday, Tuesday
C.16: Information, Innovation and Technology: Geographies of innovation and knowledge-based development	Sunday, Monday, Tuesday
C.16: Information, Innovation and Technology: Innovative GIS and digital humanities	Wednesday
C.16: Information, Innovation and Technology: Innovative urban technologies	Sunday, Monday, Tuesday
C.17: Tourism, Leisure and Global Change: Beyond development: community empowerment, social justice, and the local in tourism	Monday
C.17: Tourism, Leisure and Global Change: Bridging nature-based tourism and conservation: how to tackle the over-tourism resurgence?	Thursday
C.17: Tourism, Leisure and Global Change: Changing skylscapes, place and space	Thursday
C.17: Tourism, Leisure and Global Change: Critical geographies of festivals and events	Sunday
C.17: Tourism, Leisure and Global Change: Critical geographies of tourism	Monday, Tuesday
C.17: Tourism, Leisure and Global Change: Critical issues in tourism	Thursday
C.17: Tourism, Leisure and Global Change: Feminist tourism geographies through emergent histories	Sunday
C.17: Tourism, Leisure and Global Change: Geographies and mobilities of hiking in the post-pandemic Anthropocene	Monday
C.17: Tourism, Leisure and Global Change: Geographies of tourism and wildlife conservation in the Anthropocene	Sunday
C.17: Tourism, Leisure and Global Change: Island tourism transformations: resilient islands and revitalized communities	Wednesday
C.17: Tourism, Leisure and Global Change: More-than-human agencies in sustainable rural tourism	Wednesday
C.17: Tourism, Leisure and Global Change: Neoliberalism and tourism: critical perspectives	Wednesday
C.17: Tourism, Leisure and Global Change: On the edge of culture and tourism: exploring the dynamics of cultural routes and heritage trails	Sunday, Wednesday
C.17: Tourism, Leisure and Global Change: Post-pandemic perspectives on second homes and multilocal living	Sunday
C.17: Tourism, Leisure and Global Change: Prospects and limits of policy, governance, and individual practices for sustainability transformation ...	Sunday
C.17: Tourism, Leisure and Global Change: Re-envisioning the mobilities of in/hospitable work	Tuesday
C.17: Tourism, Leisure and Global Change: Re-negotiating leisure, events, and tourism spaces in the age of the Anthropocene	Thursday
C.17: Tourism, Leisure and Global Change: Resistance against development projects in retrospective: seeking for emancipatory geographies	Thursday
C.17: Tourism, Leisure and Global Change: Social innovation in indigenous tourism development. Examining the challenges and strategies to ...	Monday
C.17: Tourism, Leisure and Global Change: Tourism geographies and the revitalisation of the rural periphery	Tuesday, Wednesday
C.17: Tourism, Leisure and Global Change: Tourism geographies looking forward: a critical review of (no)changes in times of uncertainty	Tuesday, Wednesday

Subject to change

Commission and Session	Day
C.17: Tourism, Leisure and Global Change: Tourism policy, development and infrastructure	Tuesday
C.19: Geomorphology and Society: Application of remote sensing in surface water hydrology	Monday
C.19: Geomorphology and Society: Floodplain sedimentation and agricultural land use dynamics of the large river basins	Monday, Tuesday
C.20: Global Change and Human Mobility: Challenging states' sovereignty: the impacts of borderland mobilities	Sunday
C.20: Global Change and Human Mobility: Embracing new lifestyles in a digital world: remote work and nomadism	Thursday
C.20: Global Change and Human Mobility: Exploring gender perspectives in migration studies: unveiling intersectional dynamics	Monday
C.20: Global Change and Human Mobility: Forced to move? Reappraising intra-urban mobility in light of gentrification-induced displacement	Monday
C.20: Global Change and Human Mobility: Geographical perspectives on climate and environmental mobilities	Tuesday
C.20: Global Change and Human Mobility: Human-environmental interactions in the ancient Silk Road regions	Tuesday
C.20: Global Change and Human Mobility: Interactions between the Silk Road and the Eurasian steppe since the Neolithic era	Wednesday
C.20: Global Change and Human Mobility: International migration from South Asia: drivers and impacts	Sunday
C.20: Global Change and Human Mobility: Migrant transnationalism and development: the role of economic and social remittances	Sunday
C.20: Global Change and Human Mobility: Post-pandemic tourism mobilities: displaying emerging and resurging trends	Thursday
C.20: Global Change and Human Mobility: Temporality and translocality of living – practices and places of belonging	Thursday
C.20: Global Change and Human Mobility: The transformative power of mobilities: revitalizing left-behind places	Thursday
C.20: Global Change and Human Mobility: Unraveling (im)mobilities geography: navigating the complexities of moving and staying	Thursday
C.20: Global Change and Human Mobility: Unveiling the socioeconomic and spatial impacts of international students' mobility	Monday
C.20: Global Change and Human Mobility: Villages in the age of migration and metamorphoses: mobilities and human diversification vs. homogenisation?	Tuesday
C.21: Global Understanding: Geography of peace	Sunday
C.21: Global Understanding: Youth, culture & the quest for global sustainability	Sunday
C.22: Hazard and Risk: Disasters and human health	Tuesday
C.22: Hazard and Risk: Exploring the differences in understanding and addressing natural hazards	Thursday
C.22: Hazard and Risk: Extreme events: observations and modeling	Tuesday, Wednesday
C.22: Hazard and Risk: Resilient futures in a world of difference: connecting dimensions for integrated disaster risk ...	Wednesday
C.22: Hazard and Risk: Risk perception, vulnerability and recovery	Tuesday
C.22: Hazard and Risk: Slow-onset hazards: issue, challenges, and risk reduction strategies	Monday
C.23: Health and Environment: Access to healthcare for disadvantaged groups	Sunday
C.23: Health and Environment: Disparities in the distribution of green infrastructure: implications for well-being, quality of life ...	Wednesday
C.23: Health and Environment: Frontiers in geospatial health	Tuesday

Subject to change

Commission and Session	Day
C.23: Health and Environment: Health geography post-Covid-19	Sunday
C.23: Health and Environment: Health geography, spatial epidemiology and medical geoinformatics – different sides of the same coin	Tuesday
C.23: Health and Environment: Health-enabling places, spaces and traces: Intimate sensing and difference	Thursday
C.23: Health and Environment: Innovative approaches to enhancing wellbeing in the context of interconnected global crises: ...	Wednesday
C.23: Health and Environment: Land systems and health	Thursday
C.23: Health and Environment: Urban environment for healthy ageing	Monday
C.24: History of Geography: Art and geographical thought: the different forms of the geographer's art?	Thursday
C.24: History of Geography: Geographers' place in a world of difference	Tuesday
C.24: History of Geography: Institutions in the histories of geography	Wednesday, Thursday
C.24: History of Geography: Mapping the map: exploring the legacies of the Ordnance Survey in Ireland	Thursday
C.25: Islands: Worlds of difference — celebrating island diversity	Sunday
C.26: Karst: Global karst utilization and management	Tuesday
C.27: Land Degradation / Desertification: Increasing extreme weather events and land degradation	Sunday
C.27: Land Degradation / Desertification: Peatland degradation: current status and sustainable solutions	Sunday
C.29: Land Use and Land Cover Change: Land use and land management strategies for climate change adaptation and biodiversity conservation	Thursday
C.29: Land Use and Land Cover Change: Land use/land cover change driving forces and impacts	Wednesday, Thursday
C.29: Land Use and Land Cover Change: Land use/land cover change mapping: data and methodology	Sunday
C.29: Land Use and Land Cover Change: Land use/land cover changes and land degradation in the Anthropocene	Sunday
C.29: Land Use and Land Cover Change: Old peat, new voices: frontiers in global peatland research from early career researchers	Tuesday
C.29: Land Use and Land Cover Change: Potentials of collective actions to landscape management and governance	Tuesday
C.30: Latin America / Caribbean Studies: Geopolitics of geographies and re-existences in Latin America and the Caribbean: infrastructures, ...	Tuesday
C.31: Local and Regional Development: Achieving sustainable local development for rural communities through good governance	Monday
C.31: Local and Regional Development: Consequences of spatial inequalities; the case of left behind regions in East-Central Europe	Wednesday, Thursday
C.31: Local and Regional Development: Place based policies and governance: Opportunities, challenges and diverse perspectives	Sunday, Tuesday
C.31: Local and Regional Development: Rural-urban relationships and territorial development - local and regional patterns	Wednesday
C.31: Local and Regional Development: Shaping sustainable cities: the agenda 2030 and the challenges of urban expansion	Monday
C.31: Local and Regional Development: Territorial development, peripheral areas and cross-border cooperation	Thursday
C.31: Local and Regional Development: The digital turn in planning practices and policy making	Sunday

Subject to change

Commission and Session	Day
C.32: Marginalisation, Globalisation, Regional and Local Responses: Marginal landscapes and landscapes of marginal and left-behind places	Wednesday, Thursday
C.32: Marginalisation, Globalisation, Regional and Local Responses: Marginal rural spaces facing global challenges	Thursday
C.32: Marginalisation, Globalisation, Regional and Local Responses: New geographies of China in Africa: changing economic, social and geopolitical engagements	Sunday
C.32: Marginalisation, Globalisation, Regional and Local Responses: New geographies of food production and consumption: possibilities for alternative food systems in ...	Sunday
C.33: Mediterranean Basin: Challenges and prospects in the evolving Mediterranean coastal and marine scenery	Tuesday
C.34: Modelling Geographical Systems: Advancing earth's sustainability: integrating AI and Big Data in geoscience research	Tuesday
C.34: Modelling Geographical Systems: Modeling and simulating geographical systems in the Big Data era	Tuesday
C.35: Mountain Studies: Hydro-climatic extreme events in mountains: monitoring and management	Wednesday
C.35: Mountain Studies: International symposium of mountain studies	Tuesday
C.35: Mountain Studies: Measuring the mountain - quantitative and qualitative methods to analyse mountain areas dynamics	Wednesday
C.36: Political Geography: Anticolonial geographies	Sunday, Monday
C.36: Political Geography: Geographies of voting	Thursday
C.36: Political Geography: Geo-setting and geopolitical contexts: considering Chinese and Western approaches to contextualized ...	Tuesday
C.36: Political Geography: Planning for climate change: the question of scale	Tuesday
C.36: Political Geography: Political geographies of digital transformation	Monday
C.36: Political Geography: Political geography & geopolitics - theory, methodology, empirical case studies	Monday
C.36: Political Geography: Understanding the relations between geography and power	Tuesday, Wednesday
C.37: Population Geography: (Im)mobility, migration and environmental change	Thursday
C.37: Population Geography: Cities, population and environment in a changing world	Monday, Thursday
C.37: Population Geography: Climate change, vulnerability and migration	Monday
C.37: Population Geography: Geography of family and household changes	Sunday
C.37: Population Geography: International migration and the geographies of citizenship	Wednesday
C.37: Population Geography: Local populations, and alternative housing and living arrangements	Sunday
C.37: Population Geography: Migration and the geographies of care	Monday
C.37: Population Geography: Migration, diaspora and changing urban landscape	Monday, Wednesday
C.37: Population Geography: New forms of spatial inequalities in digitally transforming societies	Thursday
C.38: Research Methods: Community engagement through citizen science environmental monitoring: nature restoration and climate ...	Wednesday
C.38: Research Methods: Maps, documents, voices and technology – new and emerging approaches to historical geography methodologies	Wednesday
C.38: Research Methods: Marine-oceanic history GIS/geography research methods	Thursday
C.38: Research Methods: Methods in urban ecology	Monday
C.38: Research Methods: Opportunities for, and challenges to, stakeholder and community engagement: current understanding ...	Thursday
C.38: Research Methods: Spatial justice and community engaged research	Tuesday

Subject to change

Commission and Session	Day
C.39: Sustainability of Rural Systems: Arboriculture and pastoralism: new territorial complementarities?	Monday
C.39: Sustainability of Rural Systems: Industry sustainability and multifunctionality in the countryside	Monday
C.39: Sustainability of Rural Systems: Réintégrer de l'agriculture et l'alimentation dans les villes : nouveaux modèles, métiers, compétences	Tuesday
C.39: Sustainability of Rural Systems: Rural citizenship and civil society	Thursday
C.39: Sustainability of Rural Systems: Three decades of rural geography around the world: where are we in 2024?	Tuesday, Thursday
C.40: Toponymy: Bi- or multilingual place names as markers of national, regional and local space-related identity	Wednesday, Thursday
C.40: Toponymy: Cloning the place names	Sunday, Tuesday
C.41: Transport and Geography: Emerging opportunities and challenges for transport equity in a rapidly digitalized world	Sunday
C.41: Transport and Geography: Geographies of air transport	Sunday
C.41: Transport and Geography: Geographies of high-speed rail	Thursday
C.41: Transport and Geography: In the wake of social and technological transformation: revisiting the future of mobility	Tuesday
C.41: Transport and Geography: Medium-sized, small, peripheral ports and territorial development	Monday
C.41: Transport and Geography: New trends of rural transport and rural sustainability	Sunday
C.41: Transport and Geography: Progress in shared mobility research	Monday
C.41: Transport and Geography: Re-making of space through urban experiments	Sunday
C.41: Transport and Geography: Road, rail and tram - geographies of mobility	Thursday
C.41: Transport and Geography: Safe or mobile? Navigating climate and mobility transitions	Tuesday
C.41: Transport and Geography: Spatial justice in urban smart mobility	Monday
C.41: Transport and Geography: Sustainable transit-oriented development (STOD): new perspectives and advances	Wednesday
C.41: Transport and Geography: Transportation networks over the long run	Monday
C.41: Transport and Geography: Tying together Europe and Africa : infrastructuring the supercontinent nexus for the mid 21th century	Wednesday
C.42: Urban Commission: (RE) making sense of places: the role of commerce in the renewal of urban local and regional communities	Thursday
C.42: Urban Commission: Celebrating difference and innovation at the margins: suburban development and city expansion in the ...	Sunday
C.42: Urban Commission: Cities as drivers of, and driven by, transformational change	Tuesday
C.42: Urban Commission: Climate change, resilience, urban health and well-being	Sunday
C.42: Urban Commission: Critical perspectives on planning and housing data	Monday
C.42: Urban Commission: Gentrification, land, and long-histories of urban change	Sunday
C.42: Urban Commission: Governance, institutions, urban policy	Wednesday
C.42: Urban Commission: Innovating urban governance	Sunday
C.42: Urban Commission: No place like home: mapping out intimacies and relations between the private and public spheres	Thursday
C.42: Urban Commission: Out of balance, out of control? The finance curse and dimensions of inequality in global financial ...	Tuesday
C.42: Urban Commission: Planning and housing	Monday
C.42: Urban Commission: Spatial perspectives of urban crime	Wednesday
C.42: Urban Commission: Sustainable urban dynamics and real estate	Monday

Subject to change

Commission and Session	Day
C.42: Urban Commission: Trees in the city: socio-ecological dynamics in the urban forest	Wednesday
C.42: Urban Commission: University campuses: from ivory towers to living labs	Wednesday
C.42: Urban Commission: Urban areas under pressure of transformation	Tuesday
C.42: Urban Commission: Urban resilience and sustainability	Monday
C.42: Urban Commission: Urban segregation and fragmentation in unequal cities.	Monday, Tuesday
C.42: Urban Commission: Urban sustainability: coupling social-ecological systems to overcome climate and biodiversity crises	Tuesday
C.42: Urban Commission: Urban vacancy, occupation and commoning in conversation	Thursday
C.42: Urban Commission: Urbanization in global south: case studies and experiences	Sunday, Monday
C.42: Urban Commission: Young people's participation and public space. Opportunities and critical issues	Tuesday
C.43: Water Sustainability: 'Clean water and sanitation for all' – opportunities and challenges to still achieve SDG 6 by 2030	Tuesday
C.43: Water Sustainability: Advances in hydrological methodology and water management	Monday
C.43: Water Sustainability: Emerging water issues – anticipating research and new solutions	Wednesday
C.43: Water Sustainability: Geographies of rivers and floodplains	Thursday
C.43: Water Sustainability: PFAS in the freshwater environment: occurrence, pathways and monitoring	Wednesday
C.43: Water Sustainability: Urban water crises – the new normal?	Tuesday
C.43: Water Sustainability: Water resources management and planning	Sunday
C.43: Water Sustainability: Wetlands: changing landforms under changing environmental and climatic conditions	Thursday
C.44: Informality, Social Change and Development: Global perspective on informality and precarity	Thursday
C.44: Informality, Social Change and Development: Informality, decent work and development: discussing the 'labor' in geography	Sunday
C.44: Informality, Social Change and Development: Re-working geographies of infrastructural labour	Monday
C.44: Informality, Social Change and Development: Viable cities: exploring provisional practices of social reproduction in diverse urban places	Monday, Tuesday
C.XX:Global perspectives: Educational geography	Wednesday
C.XX:Global perspectives: Geographical perspectives	Sunday
C.XX:Global perspectives: Port cities and maritime infrastructures	Tuesday
T20.03 YECG Task Force: Emerging research and researchers lightning talk session	Wednesday
T20.03 YECG Task Force: IGUYECG and AGA-YGWG young and early career geographers best paper award session – Geography and ...	Monday
T20.03 YECG Task Force: The impact of achieving the sustainable development goal (no. 6) on water resources	Wednesday
